

REGISTER YOUR GSA GROUP AND BE PART OF THE SOLUTION!

Dear GSA fellowship:

As many of you know the GSAWSBOARD has been working toward a World Service Conference for some time now. This year we have held a few so called dialogue meetings with Boardmembers, Elected Intergroup Delegates, Alternate Delegates, GSR'S, and others interested in the process of setting up a structure for our fellowship.

Following has been suggested:

- There be a Pre-Conference preceding the NYC Round-Up wich will be held October 23-24th.
- The current plan is to invite registered meetings' GSRs through their Intergroups/new Intergroups to nominate and ratify the GSAWS slate of new Board members.
- Groups need to be registered with GreySheeters Anonymous in order to participate.
- Please go to the following and register your group:
<http://www.greysheet.org/cms/face-to-face-meetings/group-registration-form.html>
- Also needed: Name and contact information for each group's current GSR and Treasurer (and Secretary if there is one).
- Meetings that want to participate need to register by August 25th, 2010.
- The procedures for nomination and approval of the Board will be announced in time for registered meetings to participate.

Thank you all for your particiation in moving our fellowship toward a new level of service.

Yours in service

Esther Helga G.

Chair of GSAWSBOARD
